

Diploma in Spine Surgery 2026

Online Course Starts April 7, 2026

Spine Diploma Programme 2026*

(module dates subject to change)

Module 1: Fundamentals & Basic Sciences

- 07 Apr 2026:** Spinal Anatomy & Surgical Approaches
- 14 Apr 2026:** Spinal Biomechanics and Stability
- 21 Apr 2026:** Neurophysiological Monitoring in Spine Surgery
- 28 Apr 2026:** Spine Imaging & Diagnostic Reasoning

Module 2: Trauma

- 5 May 2026:** Acute Spinal Trauma: Assessment & Classification
- 12 May 2026:** Upper & Subaxial Cervical Trauma
- 19 May 2026:** Thoracolumbar & Sacral Trauma
- 26 May 2026:** Break – Trauma Module Break
- 02 June 2026** Osteoporotic & Ankylosed Spine Fractures
- 09 June 2026:** Spinal Cord Injury: Acute Management & Rehabilitation
- 16 June 2026:** Break – Trauma Module Break

Module 3: Oncology & Infection

- 23 June 2026:** Primary & Metastatic Spinal Tumours
- 30 June 2026:** Adjuvant & Palliative Management in Spinal Tumours
- 07 July 2026:** Spinal Infection (Pyogenic, TB & Post-operative)
- 14 July 2026:** Break – Oncology and Infection

Module 4: Degenerative conditions of the cervical spine

- 21 July 2026:** Cervical Radiculopathy: Diagnosis & Non-Operative Care
- 28 July 2026:** Cervical Myelopathy & Rheumatoid Instability
- 04 Aug 2026:** Cervical Surgery: ACDF, Arthroplasty, and Complications
- 11 Aug 2026:** Decision Making in Mild Cervical Myelopathy
- 18 Aug 2026:** Break

Module 5: Degenerative conditions of the lumbar spine

- 25 Aug 2026:** Low Back Pain & Conservative Management
- 01 Sept 2026:** Lumbar Disc Herniation & Cauda Equina Syndrome
- 08 Sept 2026:** Lumbar Stenosis & Fusion Techniques
- 15 Sept. 2026:** Spondylolisthesis & Instability
- 22 Sept 2026:** The Endoscopic Spectrum: From Discectomy to Interbody Fusion
- 29 Sept. 2026:** Break

Module 6: Adult & Pediatric Deformity

- 06 Oct. 2026:** Adolescent Idiopathic Scoliosis
- 13 Oct. 2026:** Early Onset & Congenital Scoliosis
- 20 Oct. 2026:** Neuromuscular & Syndromic Deformities
- 27 Oct. 2026:** Adult Spinal Deformity: Assessment & Surgical Planning
